Daniel A. Herms, Ph.D

Professor and Associate Chairperson of the Department of Entomology of Ohio State University, is an expert in plant-insect interactions; ecology and management of insects in forests, ornamental landscapes, and nurseries, and invasive forest pests.

He has his Ph.D in Entomology, Ecology and Evolutionary Biology and teaches ENT 790, The Nature and Practice of Science.

He currently serves on the Ohio Emerald Ash Borer Task Force and the USDA National Emerald Ash Borer Science Advisory Panel.

Dan enjoys hiking, scuba diving, golfing and...Gardening!
