

Just Can It: Food Preservation Workshop

Canning season is finally here! You've done everything to prepare, from carefully tending vegetables in the garden to replacing worn out equipment. And, now it's time to start canning!

Come and join us at the Buckeye Lake Library for a workshop on general food preservation, canning and freezing basics, and free "how to" fact sheets from Ohio State University Extension.

* Free dial gauge canner testing (bring lid only)

Saturday

July 23, 2016

12-1 P.M.

Location:

Buckeye Lake Library
4455 Walnut Rd.
Buckeye Lake, Ohio
