NOTE: In order to have CLUB NAME printed on front of shirt, at least 10 shirts (of an combination of sizes) must be ordered by families within a club. Club orders may be submitted individually, or as a group by the club advisor (group order preferred— but we realize that not meeting in person makes the collection of orders more difficult at this time). If a club does not have at least 10 shirts ordered, no club name will be listed on front of shirt for those who place orders from that club.
