

Quick Tips for Successful 4-H Enrollment

The county deadline for enrollment is April 1 – however, your club leaders may have established an earlier date for club purposes. Please use the steps below to complete your enrollment.

- Visit this direct link to enroll: oh.4honline.com
- Returning members/families already have a profile – enter your password from the previous years and log in.
- If you do not remember your password, use the *Reset Password* option below the log in box.
- If you or another of your family members are already in the program or have been in recent years – please **DO NOT** create a new profile.
- If you were not involved last year, your profile may have been archived. Archived members can be reinstated. Please **DO NOT** create a new profile for members who have been involved in 4-H in recent years.
- The registration process allows you to update personal information annually such as: age, grade, contact information and years in projects etc.
- Cloverbud members – please use project *715 My Cloverbud Year* for your enrollment.
