4-H CARTEENS is a traffic safety program conducted by 4-H teen leaders and their program partners for juvenile traffic offenders. 4-H CARTEENS goals include:

- reducing the number of repeat juvenile traffic offenders,
- decreasing the number of teen traffic offenders, and
- increasing teen awareness of traffic/vehicular safety.

4-H CARTEENS facilitators work with attendees to educate about and promote safe driving practices. Activities are fun and hands-on. The program is held once a month, normally on a Thursday evening. Facilitator commitment is 3 hours a month.
