NOTE: After filling in the information you can highlight (Select all) and reduce the size so that it can be printed business card size. You can also run the form through a newer copier and achieve the same effect.

Please remember the law requires the shooter to have this consent on their person at all times when handling or shooting pistols and revolvers. It may be a good idea for the coordinator to obtain a copy in their member file. You only need one authorized (signed) copy of this form to carry until age 18.
