

TO: Licking County 4-H Teens

FROM: Lisa D. McCutcheon, Extension Educator
4-H Youth Development Program

DATE: September 2018

“Are you interested in being recognized for your accomplishments in the Licking County 4-H program, but are unsure where to begin?”

If you answered “YES” to this question, I may have just the thing for you. On **Wednesday, September 19th** I will be hosting an informational meeting at the **Licking County Extension Office** beginning at **6:00 p.m.** During this session, I will work with participants to better understand the following:

- What is the Ohio 4-H Achievement Award Form?
- What criteria are used in judging award applications?
- How do I keep track of all my activities and projects?
- What can I do to catch the judge’s attention?
- Is the way in which I word my activities really all that important?
- When I’m all done, what do I need to hand in?
- What are the different awards levels and how do I advance?
- ...and we’ll have samples for you! =)

If this sounds like a meeting that may help you, be sure to mark September 19th on your calendar. As you prepare to attend, be sure to invite your parent(s) and your club advisors, if you like - they may be assisting you as you complete your application. Bring to the meeting with you any records that you have compiled or past applications that have been submitted. We’ll see what we can do to get you started in the right direction... Please call the office by September 14th if possible to let us know that you’re coming so that we may prepare adequate materials.

I’ll look forward to seeing you on the 19th!

To review the categories in which you may submit
4-H Achievement Record forms, turn this sheet over for a complete listing...
