

Licking County 4-H Summer Camp

June 14-18, 2018

4-H Camp Ohio, St. Louisville

4-H Camp registration is open to ALL interested youth

Youth ages 8-16 (as of 01.01.18) (must have completed the 3rd grade)

Residential / Overnight Camp Registration Fee: \$200

During the 2018 Licking County 4-H Camp, participants will experience a number of fun activities carefully selected by their counselors and adult staff. This year's camp will have a theme that takes everyone on an Hawaiian Island Adventure! We'll sit under palm trees and enjoy time in the pool – but don't forget all the great camp activities, too! There will be games and color group challenges, as well as teambuilding activities, super sessions, nature exploration, water games, and a 4-H Camp's Got Talent showcase! 4-H Camp will present you with a great opportunity to have fun, make new friends, and create memories to last a lifetime! You won't want to miss the 2018 Licking County 4-H Camp!!!

Camp fee includes all meals and snacks, insurance, general activity materials, pool pass, all lodging expenses, materials for many sessions—and a commemorative 4-H camp shirt! All counselors will have received a minimum of 24 hours of training in 2018 in order to facilitate this camping experience. Some counselors have as many as five years of experience that they bring with them to camp with them – and don't forget our adult staff who have a lifetime of camp experience!

Parents are strongly encouraged to thoroughly discuss session preferences with their child. All classes have size limits, thus assignments will be made on a first-come, first-served basis (in the order that registration forms are received). Please be aware that some sessions require additional fees, have age requirements, or ask that the camper bring specific materials with them to camp. Once we receive your preferences, and assign classes, we will then contact you just prior to camp with any special fees or supplies that you should bring with you to camp.

Cabin & Color Group Assignments will be made prior to camp. All campers are invited to list up to three campers with whom they would like be in a cabin (same gender / within one year of age) or color group (either gender / any age). They will be paired up with at least one of their preferences in each case, if possible. The age of the youth is taken into consideration when cabins are assigned.

Specifically for youth ages 12+: High Ropes Training is available to youth ages 12-18 for an additional fee. A special Night Zip Line experience will also be offered at no cost on the first night of camp! There will also be String Art and Canvas Painting classes for those age 12 and older... And be careful to check age requirements on Shooting Sports sessions.

...Super Session Descriptions...
