

ABOUT OHIO 4-H

4-H is a non-formal educational, youth development program offered to individuals age 5 and in Kindergarten to 19.

There are lots of fun things you can learn in 4-H and in a variety of ways. You can participate in 4-H through clubs, camps, your school, and short-term experiences. You can learn about animals, computers, public speaking, cooking, art, gardening and environmental sciences, just to name a few projects.

All 4-H programs focus on active involvement and quality experiences which stimulate lifelong learning of values and skills.

First and Second Year Campers... We want you!

This is a great opportunity for youth who are looking forward to attending their first or second residential 4-H camp. Come get acquainted with facilities and staff.

This camp will ease the fears that younger children often face when heading off to 4-H camp. Participants will meet staff, tour facilities and become familiar with camp activities and events.
