The screenshot shows a registration interface with three main sections. The first section, 'Member Reports', has a 'Member' dropdown set to 'select a member...' and an empty 'Report' dropdown. The second section, 'Register A Member In An Event', has a 'Member' dropdown set to 'Clover, Chris' and an 'Event' dropdown set to 'Licking County 4-H Summer Camp'. Two red arrows point to these dropdowns. Below this is a 'Files to Download' section with the message 'there are no files to download for this event'. The final section is 'Registration Types', which contains a table with one row and two buttons.

A red arrow points to the 'Register' button in the table.

The first section that you will fill out is the Super Session Selection. There are a total of nine sessions, three each on Friday, Saturday and Sunday. You will need to make a selection for each session. There are single, double, and triple sessions each day. If you select a triple session or a double session, you will need to select the appropriate option for the second or second and third options within the same day. For example: You select *104 High Ropes* for your Friday – 9:15 session, you would then select *Participating in triple session continued from 9:15 (High Ropes, Shotgun, Zip Line)* for both the Friday – 10:15 and Friday – 11:15 sessions since the High Ropes session is a triple session.

Each session has a limit as to the number of participants that that session can hold. Sessions fill on a first-come, first-served basis. Once a session is full, that session number will turn gray and you will be unable to select it. Please chose your second choice for that session slot.

Please pay attention to any age restrictions that may be listed next to a session. Do not choose those sessions if your child does not meet the age requirements.

Some sessions have additional symbols next to them. Sessions listed with \$ have an additional fee associated with them. If you choose sessions with extra fees, you will pay those extra fees upon check-in at camp. Sessions listed with * require that you bring items with you to camp for those sessions. Please refer to the session descriptions as to the cost of extra fees and extra items for the sessions you choose.

Please review which sessions you have chosen before you continue to the next sections to ensure you have chosen the correct sessions.

Super Session Selection Instructions

Please select a session from each drop down menu. Please pay attention to any age limits listed by some sessions. If the session is a double or a triple session, select the appropriate option in the consecutive time slots. Example: if selecting "114 Zip Line & Climbing Wall" for the Friday - 9:15 Session, you would then select "Participating in triple session continued from 9:15 (High Ropes, Pistol, Zip Line)" From both the Friday - 10:15 and Friday - 11:15 drop down menus. Sessions are assigned on a first-come, first-served basis. If a session that you wish to take is already full, the text will be gray and you will be unable to select it. Sessions close once they reach their maximum.
