

Licking County 4-H Cloverbud Kits

A teaching tool for 4-H volunteers

Here's a great opportunity to provide your 4-H Cloverbuds with fun, hands-on activities at every meeting. Volunteers can now borrow 4-H Cloverbud Kits from the Licking County OSU Extension office. The kits focus on lessons from the Ohio 4-H Cloverbud Curriculum and include notebook, activities and some supplies. Contact the Licking County Extension office at 740-670-5315 to reserve a kit for your next meeting.
