Licking County 4-H Horse & Pony Division Definitions

HORSELESS DIVISION

Horseless classes are for exhibitors enrolled in the Horseless Horse Mentorship Project. These youth do not own or lease a horse. Horseless riding classes are Walk-Trot only. Horseless exhibitors are not eligible to show Beginner, Intermediate, or PAS classes. Horseless exhibitors must meet the uniform dress code established in the Licking County 4-H Horse & Pony Council Supplement.

THERAPEUTIC DIVISION.....

Especially for those youth who enjoy the benefits of participating in therapeutic riding lessons and clinics. Youth may be enrolled in this division for an unlimited time period.

BEGINNER DIVISION

For Beginner exhibitors in their first or second calendar year of showing and who have no experience in any form of competition at the canter or lope. Beginner riding classes are Walk-Trot only. Beginner exhibitors are not eligible to show or may not have previously shown in Intermediate or PAS classes and maintain Beginner status. Beginner exhibitors must meet the uniform dress code established in the Licking County 4-H Horse & Pony Council Supplement.

INTERMEDIATE DIVISION.....

For the inexperienced exhibitor who is beginning with the canter or lope and is learning about leads and building confidence. Intermediate riding classes are Walk-Trot-Canter/Lope. If Intermediate exhibitors show in the PAS classes, they are no longer eligible to show in Intermediate Division. Intermediate exhibitors are not eligible for Beginner classes. Members may remain in Intermediate Division for a maximum of three years before they are required to advance to the PAS Division.

ADVANCED DIVISION

For the experienced exhibitor showing in the appropriate age division at the Walk-Trot-Canter/Lope. Exhibitors are not ever eligible to show in Beginner or Intermediate classes.

TRAINING DIVISION.....

Designed specifically for youth enrolled in the Horse Training Project (#177). Member is eligible to show a specific horse in this division for up to two years. This class is meant to provide an incentive activity for experienced 4-H members who have developed an ability to train a young / inexperienced horse (green / recently under saddle). Member must have at least one year of experience at the Intermediate Level, or be entered in the Advanced Level.

OHIO STATE FAIR REPRESENTATIVE / PAS.....

For the experienced exhibitor showing in the appropriate age division at the Walk-Trot-Canter/Lope. Potential Ohio State Fair exhibitors compete at a PAS (Performance Against Standard) qualifying show offered by the county in the summer months. Receiving necessary scores during a qualifier is the only way to participate in the Ohio State Fair. To be eligible to compete in a PAS show, a separate Ohio State Fair Representative Form must be completed and submitted with ID papers. PAS show exhibitors are not ever eligible to show in Beginner or Intermediate classes. *NOTE: Coggins test required, beginning in 2020.*

NOTE: For assistance in selecting appropriate division, 4-H members should consult with their advisors. For clarification of division definitions or eligibility, advisors and/or parents may contact the Licking County Extension Office.
