

LICKING COUNTY 4-H DAIRY FEEDER STEER PROJECT CLINIC

Saturday, July 10th | 10:00 a.m. – 12:00 p.m.
Baird Arena – Sheep Barn, Hartford Fairgrounds

Sessions will include:

Scrub-A-Dub-Dub – Is there a correct way to wash your dairy feeder? Yes, there is and we will show you. Equipment and products that are needed will be discussed and demonstrations with live animals.

Bovine Cosmetology – Clipping your dairy feeder can give you an edge in the show ring. A demonstration will show where and how to clip your feeder with live feeders being used.

Showmanship – Are you ready to show your dairy feeder? We will provide hands on practice to perfect your skills in the show ring. Halter-broke calves will be on-site to practice

Tie for Safety – Do you know how to tie a quick release knot? It is very important that you can and we will show you how.

What do I need to bring to the fair? - Discussion and hand-outs will be available for your fair box and other items needed for the fair.

Guest Presenters:

Amanda Annett, Olivia Dorman & BreAnna Laughlin

Drawing for DOOR PRIZES will be held at the conclusion of the clinic!
